

Reverse Mortgage for Professionals

Your Trusted Advisor

FREE Senior Market Symposium

This workshop will provide Mature Market Professionals with a solid understanding of the benefits, applications and even the shortcomings to a Home Equity Conversion Mortgage, HECM reverse mortgage. Curriculum addresses program basics, real world applications, short term, long term goals and exit strategies.

The symposium is ideal for any professionals that works with seniors or children with parents over 62.

Professionals that attend include Financial Planners and Estate Advisors, In Home Care Professionals, Family Law and Elder Law Attorneys, Real Estate Agents, Accountants and CPAs, Bankers, traditional mortgage professionals; any professional with concern for the well being of their senior clients.

- What is a HECM?
- How does it work?
- Achieving Goals
- Exit Strategies
- Purchase with a Reverse

We will reserve time for discussion with the diverse professionals in attendance.
